From **Saturday 1 April 2017**, adults and young people (16-24) can access new and improved services from Sexual Health Wirral. The service will include a number of new features including:

- improved online booking for appointments
- a Freephone telephone number - 0300 123 5474 7 days a week, 8.00am to 8.00pm
- call back telephone consultations available - Monday to Friday 8.00am to 7.00pm
- a range of free STI self-testing kits
- young people's clinics through Brook Wirral
- services from local pharmacies
- Clinics will continue to run from the five locations across Wirral with greater availability of support from pharmacies and GPs.
- The new website will be a 'digital front door' with additional features including symptom checker and self-testing kits giving people greater choice and flexibility in seeking and getting sexual health advice and treatment.

A new clinic timetable is available from Saturday 1 April 2017. Anyone wishing to attend a Sexual Health Wirral clinic from this date should visit www.sexualhealthwirral.nhs.uk to book an appointment or call **FREephone 0300 123 5474**.
